Sir,

I have the honor to state that one Penagonda Krishnachar, a resident of Chitaldrug, is getting an allowance of 3/4 mds Seer of rice per day ever since 1888, but from the references available in this Office, he appears to be entitled to 1/2 Seer of rice only which has been sanctioned by Government in their order No 42-93 dated 28th November 1903. The Amildar of Chitaldrug reports that no orders appear to have been received either from Government or this Office to raise the above allowance, but that an order has been issued by a former Amildar to the Mutsaddi of the Chatram authorizing

the

the payment at 3/4 lbs Seer of rice per day. As Krishnachar has been getting at 3/4 lbs seer per day from the year 1888, it does not seem desirable to disturb this after the lapse of such a long time. He is blind of both eyes and is devoid of all means of earning his livelihood. I, therefore, request the sanction of Government to continue to give to Krishnachar 3/4 lbs Seer of rice per day.

I have the honor to be,
Sir,

Dated, Chitaldrug, 27th October 1906.

From

Deputy Commissioner,
Chitaldrug District.

To

L. Anantaswami Rao, Esquire, B.A.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Muzrai Department,
Bangalore.

Sir,

I have the honor to submit herewith for favorable con-sideration of Government, an application from Penakonde Krishna Char praying that the allowance of rice that is being given to him from the Government Anna Chtram at Chitaldrug may be raised from ¾ seer to 1 seer.

2. The petitioner is blind of both eyes and is bereft of all means of earning an independent livelihood. He has to pro-vide himself with a guide and a helpmate and he finds it im-possible to maintain two souls with his present allowance of ¾ seer of rice. The Amildar therefore strongly recommends that this may be increased to 1 seer per diem with condiments.

3. The cash grant allowance to the chatram at Chitaldrug is Rs.57-6-0 per mensem of which about Rs.23/- are being expended for payment in cash or kind to the existing neha-midars, and Rs.8/- to meet the establishment charges. A sum of Rs.6/- more would be required to maintain the additional establishment necessary to issue cooked food as per recent Government orders. There would thus remain a balance of Rs.20/ to feed the travellers. Although Chitaldrug is the Head Quarters of the District, the number of travellers resorting to the chatram for food is comparatively small and the cost of the extra ¼ seer recommended in the present case would not exceed one rupee per mensem, which could be met from the

3/4 seer of rice per day and
to sanction him the consolidation
again raise it to one seer per day.
